

# MENTAL HEALTH SERVICE STANDARD

Bergen-Passaic Transitional Grant Area

Grant Year: 2022/23

## Service Category Definition – Mental Health Services

---

(HIV/AIDS Bureau Policy Clarification Notice #16-02, Revised 10/22/2018)

Mental Health Services are the provision of outpatient psychological and psychiatric screening, assessment, diagnosis, treatment, and counseling services offered to clients living with HIV. Services are based on a treatment plan, conducted in an outpatient group or individual session, and provided by a mental health professional licensed or authorized within the state to render such services. Such professionals typically include psychiatrists, psychologists, and licensed clinical social workers.

## Program Guidance

---

(HIV/AIDS Bureau Policy Clarification Notice #16-02, Revised 10/22/2018)

Mental Health Services are allowable only for PLWH who are eligible to receive HRSA RWHAP services.

(HIV/AIDS Bureau, 2019)

## Ryan White HIV/AIDS Program Eligibility Requirements

(HIV/AIDS Bureau Policy Clarification Notice #13-02, Revised 5/1/2019)

Person(s) seeking services in the Ryan White HIV/AIDS Program (RWHAP) must meet the following requirements for eligibility:

- Any person(s) with an HIV diagnosis or their legal guardian who lives in the City of Paterson, Passaic County, and/or Bergen County, New Jersey; **OR**
- A person designated as the individual's medical power of attorney (i.e., their court appointed representative or legal representative). *Proper documentation must be collected at initial determination and redetermination to verify guardianship or medical power of attorney.* **AND**
- Any individual with a household income that is at or below 500% of the federal poverty level; **AND**
- Any individual who is uninsured or underinsured.

Client eligibility must be certified annually and recertified at least every six months. The primary purpose of the RWHAP eligibility certification process is to ensure that an individual's residency, income, and insurance status continues to meet the Bergen-Passaic transitional grant area (TGA) eligibility requirements and to verify that the RWHAP is the payer of last resort. The eligibility recertification process includes checking for the availability of all other third-party payers. Subrecipients are also required to obtain documentation of CD4 and viral load laboratory results at each eligibility certification and recertification for all clients. Laboratory results must be recent and within 6-months of the eligibility determination date. Subrecipients are required to obtain documentation and maintain the results of the laboratory results in client chart and documented in eCOMPAS.

## Personnel Qualifications

---

Mental Health services will be provided by staff who meet the minimum requirements and qualifications listed in this section.

1. Master of Social Work (MSW), Certified Social Worker (CSW), Licensed Clinical Social Worker (LCSW), Licensed Social Worker (LSW) are preferred; **OR**
2. Bachelor of Social Work (BSW); or other related health or human service degree from an accredited college or university with two years of experience working with HIV diagnosed populations, chronic illness populations, or underserved populations; **OR**
3. A Bachelor's degree from an accredited college or university, with four years of experience working with HIV diagnosed populations, chronic illness populations, or underserved populations; **OR**
4. Current licensed registered nurse (RN). If licensed, a copy of the most current license must be kept in the personnel file; **OR**
5. An Associate degree from an accredited college, with at least six-years of experience working as a RWHAP non-medical case manager, HIV diagnosed populations, chronic illness populations, or underserved populations; **OR**
6. A high school (HS) diploma or General Education Diploma (GED) with at least eight-years of experience working as a RWHAP non-medical case manager, HIV diagnosed populations, chronic illness populations, or underserved populations.

All Mental Health services staff must complete yearly, a minimum training regimen that includes at least 8 continuing education units or **continuing education hours** (CEUs, **CEHs**). CEUs/**CEHs** may include, but are not limited to, the following areas:

1. HIV case management standards; **AND/OR**
2. AIDS Drug Assistance Program requirements; **AND/OR**
3. Health Insurance Premium and Cost Sharing Assistance programs; **AND/OR**
4. HIV disease processes, treatment, testing, legal ramifications to include confidentiality, counseling/referral and prevention, and ethics (Such as Fundamentals of HIV/HCV Counseling and Testing Training); **AND/OR**
5. Cultural competency training; **AND/OR**
6. Medicaid, Medicare, and Marketplace training/updates; **AND/OR**
7. Health education, risk-reduction, and harm reduction; **AND/OR**
8. STI prevention strategies, pre-exposure prophylaxis (PrEP), and post-exposure prophylaxis (PEP); **AND/OR**
9. Access to and knowledge of all RWHAP core and support services; **AND/OR**
10. Access to and knowledge of non-RWHAP funded services that ensures that the RWHAP remains the payer of last resort

## Quality Management Outcomes and Quality Assurance Measures

(HIV/AIDS Bureau Policy Clarification Notice #15-02, Updated 11/30/2018)

In addition to the system-wide Service Standards applicable to all RWHAP Part A and Minority AIDS Initiative (MAI)-funded subrecipients, the following program specific Service Standards apply to Mental Health Services subrecipients. These Service Standards are an essential component of the Bergen-Passaic Quality Management program to inform the on-going monitoring and evaluation of RWHAP Part A and MAI-funded mental health subrecipients by the City of Paterson Ryan White Grants Division Office (Recipient). Full compliance with these Service Standard is expected for RWHAP Part A funded subrecipients that have contracts with the City of Paterson, Ryan White Grants Division.

## Clients Rights and Responsibilities

---

Services will be provided to all eligible RWHAP clients without discrimination on the basis of: HIV infection, race, creed, age, sex, gender identity or expression, marital or parental status, sexual orientation, religion, physical or mental handicap, immigrant status, or any other basis prohibited by law. Subrecipient's providing services are required to have a statement of consumer rights and responsibilities posted and/or accessible to the client. Each Subrecipient will take all necessary actions to ensure that services are provided in accordance with the consumer rights and responsibilities statement and that each consumer understands fully his or her rights and responsibilities.

## Clients Charts, Privacy, and Confidentiality

---

Subrecipient's providing services must comply with the Health Insurance Portability and Accountability Act (HIPAA) provisions and regulations and all federal and state laws concerning confidentiality of consumers Personal Health Information (PHI). Subrecipient's must have a client release of information policy in place and review the release regulations with the client before services are received. A signed copy of the release of information form must be included in the clients' record. Information on all clients receiving Ryan White Part A funded services must be entered in the HRSA sponsored, Bergen-Passaic TGA managed, eCOMPAS database.

## Cultural and Linguistic Competency

---

Subrecipient's providing services must adhere to the National Standards on Culturally and Linguistically Appropriate Services. (please see <https://minorityhealth.hhs.gov/omh/browse.aspx?lvl=2&lvlid=53> for more information)

## Client Grievance Process

---

Each Subrecipient must have a written grievance procedure policy in place which provides for the objective review of client grievances and alleged violations of service standards. Clients will be routinely informed about and assisted in utilizing this procedure and shall not be discriminated against for doing so. A signed copy of the grievance procedure policy form must be included in the clients' record.

## Case Closure Protocol

---

Each Subrecipient providing services must have a case closure protocol on file. The reason for case closure must be properly documented in each client's file. If a client chooses to receive services from another provider the Subrecipient must honor the request from the client.
